Girls Group/Guys Group

These groups are a place where girls/guys can meet in a safe and welcoming atmosphere to discuss important topics and empower their members.

After School Program

At our after school programs high school volunteers serve as tutors and positive role models for elementary age and middle school students.

Teen Leaders

Teen Leaders participate in advanced and intensive leadership trainings to learn new skills and become competent and confident leaders. Teen Leaders then use these skills to train elementary and middle school students as leaders.

High School Leadership Program

In this program high school students at any of our participating schools meet weekly to participate in volunteer opportunities, plan service projects, build their leadership skills and participate in social outings!

The LeaderShop empowers youth to become community-minded individuals through diverse programs that foster confidence, knowledge and leadership. For more information contact CathyP@theleadershop.org.
