

Introduce a Girl to Engineering Day

Who? Any high school aged girl with an interest in science and engineering!

Parents/educators are also invited for programming

What? Hands-on activities to expose girls to a variety of engineering disciplines!

Why? Because there's a little bit of engineer in every girl!

February 20th, 2016

9-5pm

University of Illinois

Register at: <http://societyofwomenengineers.illinois.edu/outreach/>
Registration will close on February 5th, 2016 or once all seats are filled.
